**1. About the College**

E. G. S. Pillay Engineering College is one of the pioneering non-grant engineering Colleges in the State. It was established by the G. S. Pillay & Sons Educational & Charitable Trust, Nagapattinam in the year 1995 with the sanction of the Government of Tamilnadu, approval of the All India Council for Technical Education, New Delhi and affiliation to Bharathidasan University, Tiruchirapalli. Its courses are affiliated to Anna University, Chennai, from 2002, Accredited by NAAC with “A” Grade and the degrees are awarded by Anna University, as per the Government Orders. The College has earned the reputation of being one of the most preferred colleges by the students and parents all these years. Known for its excellent infrastructure and facilities for learning, the outstanding non-grant engineering college has registered impressive performance consistently. A gate-way to success, the college has now set on long-range planning to enlarge and enrich its programs and activities to empower the youth who aspire to become successful Engineers, Scientists and Managers.

**2. About the Conference**

International Conference on Research and Development in Information and Communication Technology (ICRDICT-2016) will explores the knowledge between Engineers, Scientists, Scholars, Industrialist and Students in the various fields of Engineering, Science & Technology across the world. This conference provides opportunities for the participants to exchange the new innovations, applications, experiences to establish research relations and to find global partners for future collaboration. We will be very honourable and happy to have you as one of our most delightful participants in the international conference by presenting your research work.

**3. Topics**

Authors are invited to submit their research, review and survey papers in the topics related to the conference. Topics are listed but not limited too.

<b>Domain 1: Communication Technology</b>	<b>Domain 2: Soft Computing</b>	<b>Domain 3: Image and Video Processing</b>
Cloud Computing Industrial Internet Ubiquitous Computing Mobile Computing Wireless Sensor Networks Green Computing Network Security	Big Data Analytics Web Technology Object Oriented Metrics Data Mining Storage Management Ontology	Image Processing Multimedia Technology Speech Processing Signal Processing Medical Imaging Machine Vision Systems
<b>** Not Limited too</b>		

**4. Important Dates**

Last date for Receiving Papers	-	06/06/2016
Intimation of Acceptance	-	08/06/2016
Last date for Submission of Camera Ready Paper	-	10/06/2016
Conference Date	-	17/06/2016 – 18/06/2016
